

A new story— from the world of the Witcher

“Tem et volorro esequē omnitiūment lant et antur aruntior
aliquodit resequa ecusda.... sincideribus expliquunt veliqua
tiorum etur re eaquo bercimus ulparuptius eum fuga.”

- **ANDRZEJ SAPKOWSKI**

“Por rendicius re, quatur, nonsendus es utem dolupta tectis
si id qui sum aut ex eris modit amus, sum fugiti blatur ad ut
eum nonsequam sit que odi int, ut qui rem fugitiis sum que
nusa sanimo occae.”

- **HENRY CAVILL**

Years after the events of the main series, Ciri takes on the mantle of a Witcher, traveling the continent to protect the innocent from monstrous threats.

Alongside her is a young apprentice, Elara, who reminds her of her own journey with Geralt. As she teaches her apprentice the ways of the Witcher, Ciri is haunted by visions of a catastrophic future. She must unravel the mystery of these visions and confront a shadowy organization that seeks to harness chaos magic to reshape the world. In doing so, she faces moral dilemmas that challenge her beliefs about destiny, power, and the true meaning of being a Witcher.
